TWO-TONE NARROW RACING SEAT
The slender lines of the seat make the RX superbly manoeuvrable even over the twistiest routes. The dimensions of the seat allow you to shift your body easily for perfect weight distribution and control through bends

SINGLE CYLINDER 2-STROKE
Lightweight, reliable, and high-tech, with electronic ignition, electronically controlled exhaust valve and liquid cooling, the engine delivers unrivalled performance, with bags of torque as soon as you twist the throttle

POWER AND ECOLOGY
Though homologated to Euro 3 standards, the engine produces the maximum power permitted for a 125 cc, plus the sparkling 2-stroke performance

TRELLIS FRAME
Made from high strength steel, the lightweight frame gives amazing agility and strength, with exceptional elasticity to damp out rough surfaces and perfect torsion for cornering control

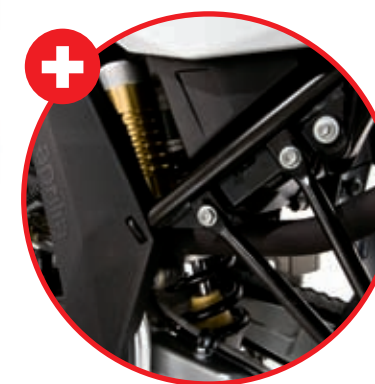

DETACHABLE SEAT FRAME
The detachable seat frame is a technical refinement designed to lighten racing bikes quickly and simply: a sign of authentic racing spirit
